EDUCATION

2013 - 2023

Middle Educational School No. 175 in the city of Tashkent.

I am currently attending a school where I am receiving a fundamental education. I am studying various subjects, expanding my knowledge and skills. Education is an important part of my life.

2022 - 2023

PROWEB Modern Professions Courses

At PROWEB, I studied with enthusiasm and immersed myself in the world of modern web development. The courses provided in-depth knowledge and practical experience, making my learning experience both productive and enjoyable.

2021 - 2022

CAMBRIDGE English Language Courses

In the Cambridge English language courses, I was mastering English with exceptional instructors. Achieving the Cambridge Certificate became a significant milestone in my language education, opening up new opportunities.
